of the most public places in the ^{vicinity} of the Court. As a copy of the Census has
 Mr. James J. Burroughs, and a duplicate signed by
 that a copy of the Schedule has been posted up in two Public Places in
 the division attached to me and have also sent an account of the same
 in the Quorum as nearly accurate as I could obtain. I have charged for
 the Census \$1.25 per Copy of the persons - considering the extent of the
 towns and without any other inhabitants. If any such charge is all
 I think the charge of mine will be, all which is respectfully
 Submitted.
